

Automotive Manufacturing Plant Project Experience

Kirk & Blum designs, fabricates and installs industrial ventilation systems. Our automotive industry general resume includes a wide variety of solutions to process dust, fume, mist, smoke and noise problems.

<u>Customer</u>	<u>City</u>	<u>ST</u>	<u>Description</u>
APT	Sterling Heights	MI	Fab & install VOC system & ductwork
Chrysler, Foundry	Indianapolis	IN	Design & build dust control system
Chrysler, Trans.	Kokomo	IN	Oil mist systems
Chrysler, Trans.	Kokomo	IN	Oil mist collectors
Ford, Transmission	Batavia	OH	Oil mist control, process ventilation
Ford, Transmission	Batavia	OH	Oil mist control
Ford, Transmission	Sharonville	OH	Oil mist control, process ventilation
Ford, Transmission	Indianapolis	IN	Dust, fume, oil mist systems
Ford, Engine	Cleveland	OH	Dust & Fume control systems
Ford, Engine	Lima	OH	Dust, fume, oil mist control systems
Ford, Glass	Tulsa	OK	Tank & sheet cooling system
GM, Foundry	Defiance	OH	Dust & fume control systems
GM, Foundry	Bedford	IN	Dust & fume control systems
GM, Foundry	Danville	IL	Dust & fume control systems
GM, Foundry	Saginaw	MI	Dust & fume control systems
GM, CPC	Norwood	OH	Dust & fume control systems, general ventilation
GM, CPC	Dayton	OH	Dust & fume control systems, general ventilation
GM, CPC	Hamilton	OH	Dust & fume control systems, general ventilation
GM, Delco	Anderson	IN	Dust & fume control systems, general ventilation
GM, Delco	Dayton	OH	Dust & fume control systems, industrial ovens
GM, Detroit Diesel	Indianapolis	IN	Oil mist systems
GM, Inland	Dayton	OH	Dust & fume control systems, industrial ovens
GM, Saturn	Spring Hill	TN	Design, fab, install melting & casting dust control & ventilation
GM, Saturn	Spring Hill	TN	Design, fab & install machining oil mist control systems
GM, Saturn	Spring Hill	TN	Design, fab & install lost foam coating drying chambers
GM, Saturn	Spring Hill	TN	Design, fab & install process ventilation systems
Caterpillar, Foundry	Peoria	IL	Dust & fume control systems
Consolidated Diesel	Rocky Mount	NC	Oil mist control systems
Cummins Engine	Columbus	IN	Dust, oil mist, process ventilation
Cummins Engine	Seymore	IN	Dust, oil mist, process ventilation
Cummins Engine	Walesboro	IN	Dust, oil mist, process ventilation
Cummins Engine	Madison	IN	Dust, oil mist, process ventilation
John Deere, Foundry	East Moline	IL	Dust & fume control system, process ventilation
Honda, Engine	Anna	OH	Dust and oil mist control systems
Navistar, Foundry	Indianapolis	IN	Design, fab & install dust control system
Navistar, Foundry	Indianapolis	IN	Design, fab & install dust control system
Navistar, Assembly	Springfield	OH	Dust & fume control system, process ventilation
